WHY THIS PROPERTY?

□ Climate-Controlled Skywalk:

This skybridge allows you to get from the building to the beach in air-conditioned comfort, unlike most condos where you have to walk outside across the street which can be hot or cold depending on the season.

□ Expansive In-Ground Pool:

While the exact size might be debatable, Crystal Tower boasts one of the biggest pools on the Alabama Gulf Coast,

according to some sources. This can be a major perk if you enjoy spacious swimming areas.

☐ Lazy River and Lagoon-Style Pool:

Not all condos have these features. The lazy river offers a relaxing way to float around, while the lagoon-style pool provides a more natural feel compared to a rectangular pool.

☐ Two Pool Complexes:

In addition to the beachside pool complex, Crystal Tower also has a separate pool complex located next to the building itself. This gives guests more options for swimming and sunbathing.

☐ Functional Condo Layout:

Open lay-out across kitchen, dining area and living area - all offering scenic view of the Gulf.

Additionally:

☐ Three High-Speed Elevators: This can be a timesaver, especially during peak season when elevators can get crowded.

☐ Sauna and Fitness Center: These amenities cater to those who want to stay active during their vacation.

☐ Meeting and Media Room: This might be a unique feature for those traveling for work or events and require a space for gatherings.

📌 ADDITIONAL PERK THAT COME WITH YOUR RESERVATION:

☐ Two (2) Parking passes set up in the unit upon arrival. Max two vehicles allowed.

☐ Six (6) Wristbands be set up in your unit upon arrival. Must be worn at all times when using Crystal Tower amenities.

☐ Two (2) Complimentary Beach Chairs with Umbrella included with Rental!
