Additional Property Information

The moment you walk into this spacious condo you truly feel right at home. Newly renovated with lots of modern elements, yet still beachy to feel like you are miles away from home. I love this location so much because it has so much to offer from golf, restaurants, beaches, basketball, tennis and pickleball. Located 7 minutes from Fort Morgan Marina which offers fishing charters or boat slips for your boat and just 20 minutes to Foley for everything you can possibly need. Our condo is located on a private beach that does not get crowded even in high season. This is one of the reasons we love it here so much. Far enough away for rest and relaxation but close enough to all the attractions that Gulf Shores has to offer. I love that the condo's primary bedroom is separated from the other 2 bedrooms which allows everyone enough space to feel comfortable. My favorite spot is the balcony. It is so peaceful watching miles of shoreline and just feeling like you are in paradise.
