Nauti Mermaid, our one-bedroom/one-bath condo, is the ideal beach home for adult couples or a trio of pals. Furry guests are welcome, too, as it is pet friendly. The living and kitchen area have recently been updated with new tile, paint, appliances, quartz countertop, and sink. The space is designed for ample, organized storage of all your items. Guests don't have to live out of a suitcase. Nauti Mermaid has almost everything you need for a home away from home.

In doing our part to be eco-friendly, we supply detergent sheets and wool dryer balls for laundry and a Brita filter for water. It's a small step, but these items cut down on unnecessary waste.

Guests have access to the outdoor swimming pool with poolside sun loungers and tables. Sip your favorite drink,

bask in the sun, and take a dip when you need to cool off.

I offer more than just a place to stay. As a local gal, I can suggest places to go and things to do in the area. The beach is our main attraction, but we have much more to experience. The digital guestbook provides much of the information you need in one place.

I am fully invested in my property and manage the day-to-day operations, maintenance, and cleaning. I go well beyond standard with upscale, hotel-quality bed linens, two pillows per guests, plenty of bath towels, high quality paper products, Cephalon cookware, Le Cruset bakeware, and new stove and microwave. By staying in the property regularly, I can identified nuances that improve the quality of the condo and make your stay that much better.

I am happy to answer any questions you may have. Just shoot me a message! If I happen to be offline at the moment, I will reply as soon as I am available.

Payments are processed through Stripe (online payment service,) so your finances are safe and secure. The only thing left to do is hit the BOOK button and prepare to experience hospitality as warm as the summer sunshine.
