Jellyfish Twist is located on the quiet peninsula of Fort Morgan, 17 miles from Gulf Shores. The private, dog-friendly beaches, lack of crowds, and slower pace of life make this property the perfect site for your beach getaway. We cater to girls' trips, professionals' sabbaticals. and fishermens' holidays.

In doing our part to be eco-friendly, we installed wildlife-friendly lighting to assist the turtle babies during hatching season. We supply detergent sheets and wool dryer balls for laundry and a Brita filter for water. A recycle bin is available as well. It's a small step, but these actions help our environment.

I offer more than just a place to stay. As a local gal, I can suggest places to go and things to do in the area. The beach is our main attraction, but we have much more to experience. The digital guestbook provides much of the

information you need in one place.

I am fully invested in my property and manage the day-to-day operations, maintenance, and cleaning. I go well beyond standard with hotel quality bed linens, two pillows per guests, hotel quality bath towels, high quality paper products, and a fully equipped kitchen. By staying in the property regularly, I can identify nuances that improve the quality of the house and make your stay that much better.

I am happy to answer any questions you may have. Just shoot me a message! If I happen to be offline at the moment, I will reply as soon as I am available.

Payments are processed through Stripe (online payment service,) so your finances are safe and secure. The only thing left to do is hit the BOOK button and prepare to experience hospitality as warm as the summer sunshine.
