Description

Perfectly located on Shoal Creek at the mouth of Wilson Lake, you will find no other like this. With 250' of waist deep water along the seawall that gradually deepens for swimming and fishing, and a large leveled ground with no slopes or steep steps to the water, people of all ages can enjoy themselves wading in the lake while enjoying the company of others on the bank.

We are confident that you will enjoy your time at our totally renovated and updated Shoal Creek Gibbons Home. We are located minutes from town, however you will feel as though you are in your own little world.

If you do decide to venture out on the town for a bit or to tour the beautiful places that Florence and the Shoals area has to offer, you will be pleasantly surprised to find everything and every place within minutes of the house.

We have tried our best to make our home as comfortable and homey for others as we prefer for ourselves. Most any amenity that you may need or want is available.

Having two kitchens, plenty of seating, and an open gathering area, our home is not only great for family outings, fishermen getaways, and vacations but also perfect for wedding receptions, family reunions, baby showers,

business meetings, small wedding ceremonies, youth group outings, bridal showers, etc. We will also consider monthly corporate/business stays. Nightly rates/cleaning fees may be increased with larger groups.

New state owned/public boat ramp is now open - directly to your right (off the highway) as you enter the street our home is located.

Additional Property Information

The most unique benefit of our home is most definitely its close proximity to the water. The house is literally inches from the water on flat ground! Another specialty would be the near distance to all restaurants, shopping centers, and many attractions that Florence and The Shoals has to offer! And we must not forget the fish - OH, THE FISH! - Many bass, catfish and others...a/k/a: THE BIG ONE...have been reeled in at the house over the years!
