Our rustic cedar cabin lies on the backwaters of Logan Martin Lake, "the lake of a thousand coves". Our slough has moderate boat traffic on the weekends and very light traffic during the week. Just right for a place to get away from it all for a couple of days or a couple of weeks of serious fishing. The small cabin offers one bedroom with a double bed and a fold out couch in the living area. The kitchen has a full size refrigerator, microwave, toaster oven, coffee pot, and a hot plate, there is no stove. Dishes, pot and pans are provided, but if you have a favorite pan you like to cook in, by all means bring it. Outside is a park style grill. Please note, our cabin is suited best for two adults with two children. It is not suited for large groups or parties. Anything beyond it's intended size and use must be cleared with the owner. Thanks
