Summary

Welcome to The Lighthouse and our favorite place to enjoy blue skies and the most beautiful white sugar-sand beach!

Description

Welcome to The Lighthouse and our favorite place to enjoy blue skies and the most beautiful white sugar-sand beach! Being a Gulf Shores favorite with the best amenities, The Lighthouse has much to offer! You are sure to enjoy the convenient location, close to lots of great restaurants, shopping, and the longest pier on the Gulf of Mexico. Many are within walking distance!

As soon as you enter the condo, you will notice the comfortable decor with light touches of a coastal theme. Nine-foot ceilings, crown molding, granite counters, and tile throughout make our condo feel spacious and inviting. The large ceiling to floor wall of glass doors in the living area allows you to relax on the sofa and enjoy the beautiful view of the ocean and beach. If the weather doesn't cooperate one day during your stay, no worries! The living area is equipped with a 47" Samsung 1080p television, dvd player, and games for making plenty of happy memories.

The condo is well appointed with all the necessities including high speed internet. A fully stocked kitchen, complete with a Keurig style coffee maker and many other essential appliances will give you the option to cook your own meals, if you choose. The dining area includes a large dining table that seats 6, along with bar stools to accommodate more guests. A laundry room with full sized washer and dryer will help take care of those wet bathing suits and beach towels. We've also included a few beach chairs for your convenience!

Our condo has two bedrooms with a bunk room and will sleep a maximum of 8 persons. The master bedroom has a

comfortable king size bed, its own flat screen t.v. and dvd player, as well as a private bath with jacuzzi tub and separate shower. This bedroom also has a ceiling to floor wall of glass doors to allow access to the balcony. The second bedroom is equipped with a queen size bed, its own flat screen t.v. and dvd player, and adjoining full bath. Across the hall from the second bedroom, the bunk room with 2 twin beds and a small flat screen t.v. and dvd player is sure to delight the kids! For families traveling with infants, a portable crib and booster seat is available for your convenience.

Our favorite place to spend time is sitting on the balcony that overlooks the beautiful beach. With seating for 6, this is a great spot to enjoy your morning coffee, catch the gorgeous sunsets, or watch dolphins swim in the surf.

The Lighthouse complex has 2 outdoor pools, one being a zero entry pool for easy access, an indoor heated pool, 2 hot tubs at each end of the outdoor pools, a fitness center with sauna, and a BBQ area with grills.

We know you will enjoy your stay at the Lighthouse and it, too, will become your favorite place to make lots of great memories!
