The living room has cathedral ceilings and a wonderful view of the beach and gulf from the sofa, chairs and two matching recliners. It also has satellite TV and additional televisions in three of the four bedrooms. The fourth bedroom (two twin beds) has an old school tv/vcr, and we have many movies. This is ideal for younger children. All four bedrooms have large built-in chests of drawers and spacious closets. The area is abundant with fabulous golf courses: Kiva Dunes, The Peninsula, and Craft Farms, just to name a few. There are also tennis courts at the Beach Club. During the summer months, there are planned activities for the young ones, such as visits to the zoo, face painting, pizza parties, and contests of all kinds on the beach! In addition, there are planned winter activities for the snow birds! The view is incredible. Almost Heaven is designed to bring families together. We hope you love it as much as we do. We hope that you'll say as so many others have, "The only thing wrong is the name. It's not Almost Heaven, It IS Heaven!

"The four bedrooms are outfitted with ceiling fans, large closets, televisions, built in chests of drawers, and comfortable beds. The two southern bedrooms have perfect views of the Gulf of Mexico! Puzzles, books, and board games are located on the top shelves of two bedroom closets.
