Ready for dinner? If catching your own dinner in the surf is not your cup of tea then you can pick up some fresh seafood at the Seafood market just up the street and use the fully equipped kitchen to have a great home cooked meal or if you prefer to eat out the options are fabulous. Bahama Bobs is about a block West and Surfside Pizza and Ice Cream is across the street and everyone's favorite, The Hangout is just a few blocks East at the "T" with tons of

great choices like Crico's Mikee's, The Gulf Shores Steamer or Desoto's for pecan encrusted catch of the day and a Bushwacker. If you make it to Desoto's you must try the sweet potato casserole - It taste like Thanksgiving

A Smart TV in the living room allows you to access all of your streaming accounts and cable TV in the bedroom and free WiFi keep you connected to the world if you aren't ready to completely unplug.

This 1 bedroom Direct Beachfront condo has a fabulous private balcony to sit and watch the dolphins play in the Gulf.

It sleeps 6 with a brand new king size bed in the bedroom, a brand new queen size sleeper sofa in the living room and 2 bunks with brand new mattresses in the hallway. The bunks are not twin size beds but are more like a berth and they measure 75" long and 30" wide.

A parking pass is required and is included with the rental.

We also provide a few basic beach chairs, umbrella, beach towels and a few beach toys for your use.

You are our top priority and since we live less than a half a mile away, we are quickly available for any emergencies or unforeseen needs, but you are more likely to run into us at the beach or in one of Gulf Shores' great restaurants than to have any problems.
