Summary

Stay in a cozy and luxurious retreat with a farm environment.

Description

Whether you're looking for a place for romance, relaxation, or business, we are happy to accommodate you. Our unique location offers an experience far beyond that of a typical vacation rental or hotel, and our peaceful farm provides a welcome retreat from the rest of the world. Fall back to a simpler time and feel the stress melt away at Fairhope Farm in picturesque Fairhope, Alabama.

Fairhope Farm offers weary travelers an elegant yet casual destination for romance and rest. We are committed to being enthusiastic hosts while providing warm personal service in a relaxed environment. We pride ourselves in making sure every detail has been thought of to ensure your best possible stay.

We are a small family farm. There are very few places that you can stay where you can wake with sights and sounds of farm life. While visiting guests can enjoy viewing a variety of our chickens, goats, ducks and gardens.

Relaxation awaits, curl up with a book under our 100 year old live oak trees or swing under our trees and watch the animals play in our pasture. Our pergola offers even more as place to relax, have morning breakfast, or a light lunch underneath the giant oaks.

Explore the many different growing areas and meet the goats, chickens and ducks who reside at the farm. We want our life and the life of our animals to be as happy and healthy as possible.

Have more than 2 people or dates are not available, check out our additional Farm Stay at the same location for 4 people.
