## Description

On the blue waters and scenic beaches of the Gulf of Mexico sits one of only a few beachfront properties at Gulf Shores Plantation. The location of this resort is perfect. It's far enough away from the hustle and bustle so that you can enjoy a much more peaceful vacation, yet still close enough to drive there for an afternoon shopping trip or dinner at an amazing restaurant. Located on the second floor, six vacationers can sleep cozily in this furnished corner unit. A kitchen stocked with cooking essentials yields the comfort of home away from home. There is also the convenience of many nearby restaurants (including a seasonal on-site cafe) when the chef longs to kick back and relax. The master bedroom has a closet and is furnished with a chest of drawers, two night stands, and a flat screen television. In the hallway is a set of slim bunk beds that the kids are sure to enjoy. The living room is equipped with a flat screen TV and DVD player. Wireless internet is available, and a laundry room, only steps from the unit (on the same level), is also easily accessible. If golf is your passion, it doesn't get much better than this. The condo sits on the same grounds as Kiva Dunes, the number one rated golf course in Alabama. Jerry Pate created this one of a kind golf course recognized all of over the world as one of golf's most unique and challenging courses. Just a few short miles down the road sits another golf course. Designed by Earl Stone, The Peninsula, is a 27 hole championship golf course tucked away in a nature reserve.
