Gulf Shores Plantation is located west of Gulf Shores on Hwy 180 toward Fort Morgan. The Plantation resort is located between thousands of acres of Bon Secour National Wildlife Refuge, and the beach is much less crowded here.

We recommend purchasing any groceries before traveling to the property. Gulf Shores is only a 15-minute drive for dining and entertainment, but if you prefer not to leave, the Plantation has its own Sassy Bass Island Grill on the beach side of Dunes (high rise) Building, just west of our condo. Kiva Dunes also has its own restaurant, Kiva Grill.

The original Sassy Bass Amazin' Grill is 2.7 miles west on Highway 180. Tacky Jack's Restaurant is 7 miles west on Highway 180. You can golf at prestigious Kiva Dunes Golf Course or just down the road at Peninsula. Check with Kiva Dunes Golf Course or Peninsula for their green fees and tee times.

Historic Fort Morgan is at the west end of Highway 180 and is a great daytime activity. From there, you can take a ferry ride to Fort Gaines and visit the Sea Lab on Dauphin Island.
