Description

The Location

Within moments of driving through the gates of this palm tree lined resort you can begin to relax. Combining a beautiful location with resort amenities, the Beach Club is an 86 acre resort nestled on a sugary white sand beach. Adjacent to Bon Secour Wildlife Refuge you are surrounded by beautiful nature. Inside the condo, you will find a home away from home. Enjoy views of the Gulf, pools, and the resort's manicured grounds from the living, dining, kitchen, master bedroom, and of course the balcony. Start your day watching the sunrise from the balcony and end the day with views of the sunset from one of the boardwalk swings. Whether you want to relax in the beach chair or fill every minute with activity-there is something for everyone.

The Condo

Enjoy waking up to the Gulf views from the master bedroom. Step out onto the balcony with your cup of coffee-it's a great way to start your day. Both the master and second adult bedroom have king size beds and attached baths. Kids love the bunk room with twin bunks, a trundle and a hallway third bathroom. For additional guests, there is a queen pullout sleeper sofa in the living area. The kitchen is well equipped with stainless steel appliances which compliment a dining area that seats nine. A washer/dryer, closets, and a large balcony provide the convenience and the lounging space needed. All bedrooms have flat screen TVs, DVD players and ceiling fans. The living and master bedroom have smart LED TVs with full web access to Netflix, You Tube, Pandora, and other popular applications. Wired and wireless internet access provide the media comforts of home. For our smallest guests a pack and play, high and booster chairs are available. For the beach, the outdoor closet is stocked with beach/pool

toys, chairs and umbrella to use.

The Activities

The condo is on the second floor and is conveniently located with easy access to the resorts many options. The Beach Club is family friendly with a children's playground, and for the parents there is a spa and gym located within the Clubhouse. There are so many fun things to do the resort was ranked as one of the Top 10 Best Family Friendly Beach Resorts in America by Family Vacation Critic for the past four years. When you want to be active play a match on one of the eight rubico tennis courts or attend a tennis clinic by the onsite pro. Enjoy the basketball courts, sand volleyball, or play bocce ball or chess in the large open lawn areas. If your goal is rest, stroll along the boardwalk, hang out in one of the gazebo swings overlooking the Gulf, unwind in one of the many hot tubs, or enjoy a book and Gulf breezes from your chair on the beach. You will never have to leave the resort since you can enjoy onsite dining at the Hideaway Grill and Pub, fine dining in season at the Gulf front Coast Restaurant, order poolside from the Clubhouse grill and bar, or go to the Village Lawn on the north edge of the property complete with food trucks, live music, and family games. Finally no trip is complete without a visit to the onsite village ice cream shop. The resort is located on a beautiful, narrow 16 mile-long stretch of land called the Fort Morgan Peninsula. There are many additional opportunities for fun and exploration nearby including top-rated golf courses, restaurants, the Bon Secour Wildlife Refuge, Dauphin Island, charter and shore fishing, and historic Fort Morgan. Add the typical family friendly venues of miniature golf, water parks, amusement centers, and an abundance of other beach attractions offering a diverse range of entertainment and dining all within an easy drive in the Gulf Shores area. Our goal is to provide you with a home away from home where you can relax, enjoy and build memories.
