Description

COVID-19 UPDATE: The beaches in Alabama reopened on April 30th. Our cleaning company is taking extra measures in sanitizing the property between guests. The pool is currently limited to 20 people at a time and groups on the beach must be 10 people or fewer. Our deeded beach area is in a low density area so you don't have to worry about the crowds. Unit 209a has 2 bedrooms and 1 full bath. This unit has been completely renovated and newly furnished. The master bedroom has a queen bed. The second bedroom has a twin over full bunk bed. The living room also has a full sleeper sofa with an upgraded mattress. Our unit has WiFi. No need to drag your computer to the lobby. Surf the internet from the privacy of your condo or back balcony. You won't find a unit with a better balcony view! Living Room and Master Bedroom both have walkouts to the spacious balcony. Bathroom has a new cabinet, sink, and shower. Kitchen features new cabinets, ss appliances, and granite. The living room and master bedroom have cable. Living room has a 65 inch flat screen television. The 2nd bedroom has a 32 inch flat screen television and a dvd player. This unit is fresh, clean and tastefully decorated. The entire unit has been freshly painted, including the closets. We take pride in our condo and want you to enjoy staying here. Our complex has a boat ramp, two fishing piers, and boat slips available on a first come, first serve basis. We also have tennis courts, shuffleboard, horse shoes, hot tub, a beautiful swimming pool, and a private board walk to the beach! The beach is located directly across the street. You can have your toes in the sand in less than a two minute walk from the complex. Our complex is located on West Beach so there is not heavy traffic on the two lane road to cross. We are located approx. 3 miles from the heart of Gulf Shores. Minimum rental age is 25 yrs old.
