## Summary

Your beach vacation beckons!

Reasonable rates, tons of charm, and loads of availability at this two bedroom, one bathroom West Beach cottage.

## Description

Midnight Mullet provides the best home base while you explore Little Lagoon, the Gulf of Mexico, and everything in between. Plenty of provisions in this adorably decorated cottage invite you to relax and rejuvenate. We provide a fully equipped kitchen, cable television, great WIFI, board games, puzzles, beach gear, and more. After a comfortable sleep in, sip your coffee on the front or back deck while deciding the day's adventure. Fishing, basking on the white sands of the gulf, walking or biking the neighborhood paths, this West Beach locale provides a center for any activity you like. Need help planning your most memorable vacation? We are locals and happy to help you put together an amazing visit to Gulf Shores, Alabama.

Midnight Mullet sleeps 4 on cozy mattresses with luxe bedding, and an air mattress allows for a 5th guest. Our bungalow has a private driveway with covered parking and a fenced in backyard. The West Beach neighborhood includes access to two fishing piers overlooking Little Lagoon, and beach access is very close at just 300 paved steps away. Rinse off in the outdoor shower, grab your favorite cold beverage and end each day with a quick stroll to the boardwalk for a spectacular sunset.

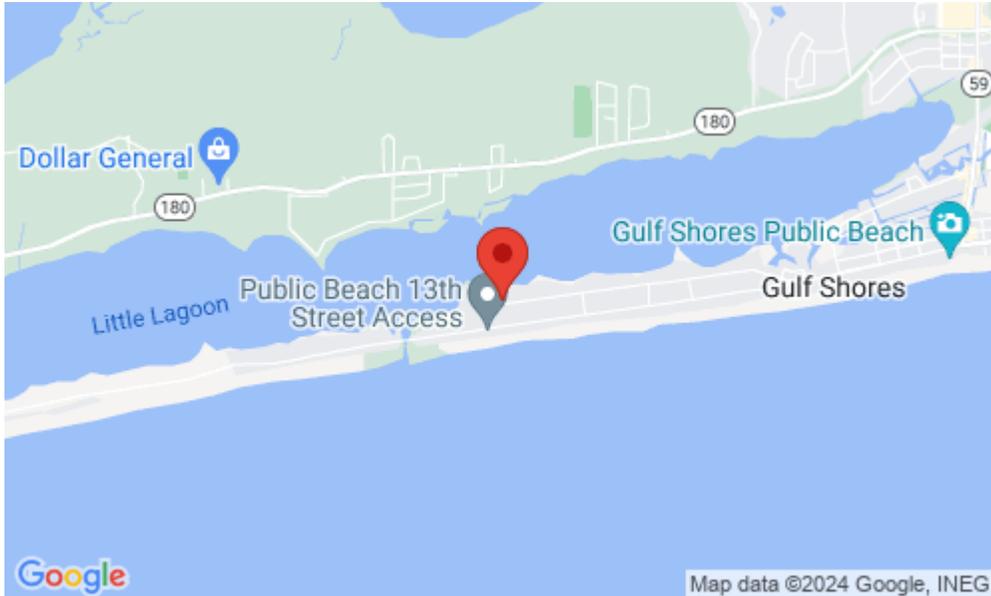

As the story goes, this house once belonged to Kenny Stabler when he had property on the lagoon side of the neighborhood. We have tried to keep the charm alive while renovating and decorating. We hope you love our piece of Alabama history as much as we do and invite you to come back for many years to come.
